

Manage and save when it comes to your fleet's fuel

Fuel is one of the main operating costs incurred when running a fleet. From as little as £2 per vehicle, per month, organisations of all sizes can benefit from a reduction in fuel costs and savings on time spent on fleet administration.

Working with the UK's largest single-branded fuel network

Sandicliffe Motor Contracts has joined forces with BP to bring you the best fuel card on the market with 3,360 sites available, including over 70 motorway stations and 850 'A' road sites. BP is the largest single branded fuel network in the UK. Together with their partners, they make up nearly a third of the UK's network. These sites include; over 1,200 BP sites in convenient locations, nearly 950 Texaco sites, around 430 Gulf sites and 860 Esso sites.

Fixed fuel costs

With a flat fuel rate set weekly, neither drivers nor the business is penalised for using the more convenient motorway fuel stations. Customers who utilise Sandicliffe Motor Contracts' fuel cards will save 3ppl on petrol and 4ppl on diesel off the 'list price' at all BP fuel stations.

No transaction fees

Unlike other fuel cards, we **do not** charge fees per fuel transaction.

More benefits of using our Fuel Card

- Reduction in dead mileage due to BP's extensive and strategically located network of sites
- Hands-on support from your account manager and specialist BP customer service team
- Reduction in administration time through class-leading online tools, management reports and alerts
- Advanced security features including PIN enabled cards
- Improved cash flow via interest-free credit
- Access to BP stores, Nectar rewards programme and brands including M&S and Wild Bean Café
- Use the BP 'mobile app' to find your nearest fuel station

FUEL CARDS

Take control of your fuel costs

- **Transparency**
See every transaction, whether invoiced or uninvoiced, made with every card. Download data into Excel or have it emailed to you
- **Security**
Online Authorisation system and dedicated support from the BP Fuel Card fraud team looking for unexpected or irregular behaviour protects fuel card security at all times
- **Protection**
Ability to easily block lost or stolen cards online protecting your business from costly fraud occurrences
- **Alerts**
Quickly find out if a card is misused through email and SMS alerts, based on parameters set by you
- **Fleet Management**
Access to management information with the ability to set up and schedule detailed reports on areas that can help identify cost reduction opportunities
- **Card Administration**
Set each cards functionality, order new and replacement cards, set and manage your cost centres
- **Recording and Reporting**
Innovative mileage capture tool to record, manage and submit business and private mileage quickly and securely
- **Support**
Dedicated customer service team ready to provide support with any fuel card related issues.

The best of both worlds!

A Fuel Card with Sandiccliffe Motor Contracts means you get all the benefits of working with a large provider like BP—such as great fuel rates and access to the largest single-branded network in the country—but with the same level of hands-on support you'd expect from us!

You have the flexibility to manage your own account using the various online tools or look to us for extra support, as and when you need it.

About Sandiccliffe Motor Contracts

As one of the UK's leading independent contract hire and fleet management companies, we specialise in delivering a service like no other.

With over 30 years' experience, we understand every business is different and our independence gives us the flexibility to adapt to an individual company's specific needs.
